

MSSL Policy Statement: EU Regulations Concerning Russia and Belarus

Council Regulation (EU) 2023/1214 of 23 June 2023 amending (EU) 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine.

Marcegaglia Stainless Sheffield Ltd complies with the restrictions detailed in Regulation (EU) 2023/1214 article 3g applicable to combined nomenclature codes 72XX listed in Annex XVII (iron and steel products). We shall not purchase raw materials, fluxes refractories or other consumables or equipment from Russia, nor supply directly or indirectly any semi-finished or finished items containing material originating from Russia.

Council Regulation (EU) 2022/355 of 2 March 2022 amending (EC) 765/2006 concerning restrictive measures in view of the situation in Belarus.

Marcegaglia Stainless Sheffield Ltd complies with the restrictions detailed in Regulation (EU) 2022/355 article 1q applicable to combined nomenclature codes 72XX listed in Annex XII (iron and steel products). We shall not purchase raw materials, fluxes, refractories or other consumables or equipment from Belarus, nor supply directly or indirectly any semi-finished or finished items containing material originating from Belarus.
